TIE-BREAKER RULE

The following rules will be adopted to break the tie in the ranking.

1. The total score in the computer-based written test will be used first to break the tie.
2. If the above criterion (rule 1) fails to break the tie, the score in the Economics section in the computer based written test will be used.
3. If the criterion 2 also fails, the aggregate percentage in the Higher Secondary examination (10+2 level) will used to break the tie.
4. If all the above criteria fail to resolve the tie, the same rank will be awarded to the candidates
